**September:**

September 19<sup>th</sup>, Tim, Jane and Michael Winkler will present regarding his resilient lifestyle personally, at work and as a Councilman for the City of Arcata. Subsequently, it has been confirmed that we will meet at the Bayside Grange, so fliers can be developed and advertisements can go out.

**October:**

The Retreat will replace the October Council Meeting on October 19<sup>th</sup>. Retreat Committee.

Larry will confirm with Blue Ox whether the 4<sup>th</sup> or 11<sup>th</sup> of October will be set as the date to meet 3-6 pm for a pot luck and tour of this historic woodworking mill. He said that they will invite us to participate in the enlarging of their programs.

**November:**

Subsequent to the meeting, Tibora confirmed with Jane Woodward that we will meet at their facility in the Marsh Commons Building for a Scrap Humboldt pot luck and program.

**December:**

Dark. However, Larry would like to have a party. This will be on a future agenda.

**Future program suggestions:**

Tim – Disaster Preparedness/Community Resilience/New Year's Resolutions with Dawn Abrecht.

Larry – Alderon Laird on his study of the local bays and sea level rise.

Richard – Intentional Communities

Janette -- "Ideas for housing humans, locally and globally, now and into the future."

Karen – Desiree Davenport could report on the Climate Change Walk in Washington.

**Retreat:**

- It will be held at Bill Warf's home, October 19<sup>th</sup>, in place of the Council Meeting.
- Discussion centered on how to obtain data for evaluation of what we have done so far.
- We are all to bring data to Rich at Sunday's Retreat meeting, 3 pm, to help with assessing where we have been.
- Rich and Karen will work on an invitation to be sent to all sign-ups.
- Rich and Karen will prepare a Project Form to be used by participants for a project they would like to see in our future.
- Larry will give a 20 minute report on the wider Transition Towns movement.

Tabling: Tim still needs more funding to cover the North Country Fair fees and more volunteers. Karen will include request for both with the agenda notice.

Salon: Too successful! Changes will be made at the next one as some want a discussion where others want to remain with a small group that can have a Salon style "conversation" rather than a larger-group "discussion."

The next meeting is October 6 at 5:30 pm, Karen and Richard's house.
